Times-Gazette

REDWOOD CITY, SAN MATEO COUNTY, CALIFORNIA, SATURDAY, MARCH 21, 1925

ESTABLISHED 1859

END OF EXTRA PRIZE; FIRST AND SECOND PERIOD; \$75 WON BY MISS ROSE LYNCH; RACE CLOSES

End of \$75 extra cash prize won by Miss Rose Lynch first and second period finds candidates close together—course up and down and makes them trail in out as "also rans."

GOING INTO LINE, all at once with high hopes and ambitions, candidates in the Times-Gazette now famous campaign have swelled their credit and from now on to the finish will be a pretty exciting race between the leaders.

The first and second periods of the campaign and the \$75 special cash prize which closed Friday night was a tremendous success. Tens of thousands, yes hundreds of thousands of credits were issued, and every "live" candidate profited.

It is strange coincidence, and sometimes unusual in affairs of this kind, but each of the leading candidates, including the special prize winner, who are striving for first honors and grand prizes, benefited during the first and second periods just closed that, not without a hairline figuring, could today's leaders be determined.

The competition, therefore, so far as relative standing of the candidates is concerned, depends almost entirely upon the results obtained in the various contests between now and the finish as to who the ultimate winners will be.

The above is not "mere talk" for the sake of telling, but a real fact. Hence, the struggle for supremacy will be fought out during the next few days, for the entire campaign comes to a fatal close in very few days. The third period closes on Friday night, March 27, at 10 o'clock. ALL PRIZES TO BE AWARDED MARCH 31.

MANY ENJOY MUSICAL AT CONGREGATIONAL CHURCH

A large and enthusiastic audience greeted the second musical to be given in the Congregational church Wednesday evening under the direction of Prof. Walter Richards.

The program consisted of many vocal and instrumental numbers. Songs, choruses and quartettes rendered by a large variety of musical selections, which were highly appreciated. A number of classic organ selections by Prof. Richards were especially applauded and the violin and piano selections were highly appreciated.

The neighbors of Woodcraft will hold a card party on April 2 in the Odd Fellows hall for the purpose of raising money to send delegates to the convention of the order to be held in Eureka in May.

EPISCOPALIAN COMPLETE NEW PARISH HOUSE PLANS

Final plans for a new parish house for St. Peter's Episcopal church have been completed and adopted by the vestry of that institution. The new building will be erected shortly on the land owned by the church at the corner of Brewster and Clinton streets.

It is planned to make the parish house fill all the requirements of the church at such time as the parish can erect a church building on the same property. The present plans include Sunday school rooms, auditorium, guild rooms, men's club and Boy Scout rooms and the minister's study.

The property at present occupied by the church will be subdivided and sold for business houses. It is expected that the sale of this property will bring enough returns to finance the erection of the new building.

The vestry of the church has decided to give the present church building to the American Legion for use as club house as soon as the new building is ready for occupancy. The legion is now seeking a location for the building.

SAN MATEO MAN HONORED

W. H. Kirkbride of San Mateo, engineer of maintenance and way of the Southern Pacific Co., has been elected a director of the American Railroad Engineering Association which is now in convention at Chicago.

During his college days at Stanford Mr. Kirkbride lived in Redwood City and at times worked on the Times-Gazette.

SANT PATRICK'S PARTY A BIG SUCCESS

The card party and dance given by the members of St. Patrick's church Tuesday night in Forest's hall was a success from every angle. The upstairs portion of the building was crowded to overflowing and what was the order of the procedure. In the neighborhood of one hundred prizes were distributed as door prizes, for high scores and also for consolation purposes.

Most of the ladies of the church were present and assisted but those most active in making the evening a success were, Mrs. Dan Flynn and Miss St. Ward, while Mr. Kennison, Dan Stafford and John-Layne kept things moving all of the time.

Down stairs a record crowd enjoyed a good floor and good music. A five-piece orchestra was provided and all of the young folks danced to their heart's content. Among those who worked for the success of the dance were Misses Alice Perry, Florence Perry, Margaret Cullen and Agnes Flynn.

The Men's Club of the Methodist church met for their bi-weekly meeting Tuesday evening in the church parlors and enjoyed an unusually fine supper prepared by the ladies of the church. Following the supper Carl Anderson of the Sequoia high school faculty, entertained the men with an interesting illustrated lecture on plant life and natural history. About 26 of the members were present.

GEO. FRY APPOINTED MILK INSPECTOR

George W. Fry of La Honda was appointed county milk inspector Monday by the county board of supervisors. Fry will co-operate with W. C. McLean, county veterinarian, in the inspection of herds throughout the county.

Protests from a delegation of 25 business men representing the Highway Business Men's Association of San Mateo County that a large San Francisco restaurant company was sending vehicular box-lunch vendors into the county were filed. District Attorney Franklin Swart brought forth an ordinance drafted several weeks ago to curb the activities of highway vendors, and it was passed by the board. It will become effective in 30 days. All portable businesses having no owned, rented or leased space for operations will be penalized.

It was pointed out by L. D. Shelling, spokesman for the association, that the portable lunch counters pay no taxes and no license fee. The personnel of five newly appointed board committees was announced by Chairman MacBain. Courtroom and jail: Manuel Frances, MacBain and Dr. C. V. Thompson.

Supplies—Thompson, Thomas L. Hickey and Rosalie M. Brown. Community Hospital—MacBain, Thompson and Hickey.

Finance—Hickey, Brown and Francis. Relief Home—Brown, Hickey and Thompson.

The Great Western Power Company's application for a permit to furnish power to Hillsborough, South San Francisco and San Bruno was held under consideration for a week. On motion of Trustee Thompson, a telegram was ordered sent to Assemblyman Ekwand urging amendment of state Senate Bill No. 15 to include the road from Pescadero to Big Basin in the state highway program.

A delegation led by L. A. Barrett appeared to protest against the proposed establishment of a tuberculosis sanitarium on the George Center place.

City Attorney Albert Mansfield of this city and others have objections to alleged unsanitary conditions prevailing in Five Points on the outskirts of Redwood City. Part of the community is within the city's corporate limits and part outside. Inadequate sewerage and shallow wells near cesspools were subject of the protests. The board indicated it would investigate.

Julius T. Jara was hired as assistant night man at the county jail, when Sheriff T. C. McGovern advised the board that his present force was compelled to work overtime for lack of help.

A resolution instructed the county fire warden to keep the highways near La Honda clear of rubbish, and County Clerk Elizabeth M. Kase was instructed to notify all traffic officers to arrest persons found throwing trash on any highway.

The supervisors voted disapproval of a proposed state law that would require maps of all subdivisions fronting on state highways be submitted to the state engineer for approval.

SENATOR M. B. JOHNSON RETURNS TO CAPITAL

Senator M. B. Johnson of Montana has returned to his duties at Sacramento, despite serious trouble with his leg, which had confined him in San Francisco where he was under care of a specialist, according to word received by friends here.

The trouble was due to a nervous condition brought on by overwork at Sacramento, it was stated. Despite his condition, Senator Johnson returned to his duties at the capital, being advised by his physician that he must devote fewer hours to work, said to have resulted in an infection of the eyes.

Joe Biagini of Halfmoon Bay was a Redwood City visitor Thursday on business.

AN APPLICATION HAS BEEN MADE TO DREDGE BAY

An application has been made to the office of the War Department by the American Dredging Company of San Francisco for a War Department permit to make a dredge cut 2,000 feet long, 80 feet wide, and 6 feet deep at mean lower low water in San Francisco bay, commencing at a point approximately 1.2 miles from the junction of Fifth street and the Southern Pacific Railway in San Mateo, and extending easterly 2,000 feet. It is proposed to dredge about 60,000 cubic yards of material and deposit it in levee form, by means of a clam shell dredge on an area running parallel to the dredge cut.

A map showing the proposed work may be seen at Room 412, Custom House, San Francisco.

John Isaac, editor of the Times-Gazette, has been confined to his bed this week with an attack of the flu. He was able to be out yesterday, but feels mighty "rocky" as a result of his acquaintance with the "bug."

The force at the Gazette office apologizes for this issue and kindly asks you to be indulgent for their shortcomings this week.

C. B. Rich, the well-known realty man of Daly City, was in town on a business trip Tuesday.

The ladies of the Congregational church will hold a food sale at Woodham's furniture store today, starting at 11 o'clock.

The many friends of John MacBain were more than pleased to see him back on the job again at the supervisor's meeting Monday.

MacBain has had quite a siege of illness but is now well on the road to recovery.

Joseph Haher, a former local business man, now residing in San Francisco spent the 17th visiting his friends in Redwood City.

Rev. Harry Owen, pastor of the Redwood City Methodist Church, spent Tuesday and Wednesday in San Francisco attending the regional conference of the Methodist church which was held in Grace church.

Prominent speakers from various parts of the United States were present and gave inspiring talks. This is the first of the series of conferences held in the west. They have been started in the east and will be held in every section of the Union.

Last Sunday Mr. and Mrs. Morrissey and two young lady friends were down from the city and invited their brother, George for a ride to La Honda, where they were surprised to find so early many cars.

They drove home by the way of San Gregorio and Halfmoon Bay. They report it one of the most beautiful drives in the state.

Mrs. John Hall of Phelps street has been confined to her home with an attack of the flu.

Max Segel, local fruit merchant, was taken to the Community hospital this week, where it is expected that he will have to undergo an operation for the amputation of his leg. Segel lost one leg some time ago and has suffered with the other ever since. His condition is now critical and it is feared that the operation may not save his life.

KIWANISANS HOLD PLEASANT MEETING

The Tuesday meeting of Kiwanis was one of the most interesting ever held by that organization. Frank K. Towne was chairman of the day and held his usual good part in making the affair a success. Lee T. Ross continued his travelogue of two weeks ago and described his recent visit to Jerusalem and the Holy Lands. His impressions were vividly presented to the listeners and he was the wish of all that Mr. Ross would give another talk on the interesting things he saw.

Bill O'Brien of the Sequoia Theatre, charmed the audience with his singing of Irish songs. It was St. Patrick's Day and Mr. O'Brien's voice was at its very best as he sang the songs and lullabies of Erin. He also provided an added bit of interest for the affair by bringing green toy balloons which when inflated showed the picture of Harold Lloyd in the picture of "Hot Water." The balloons were a source of delight to the grown-up youngsters, who showed that they were really only boys grown tall for they played with the pretty toys with the enthusiasm of youngsters of six.

The meetings of Kiwanis are an inspiration to the business men of Redwood City.

WOODSIDE

Mr. and Mrs. Daniel C. Jackling and Dr. and Mrs. Herbert Allen spent the week end at the Jackling home here. Mr. Jackling's most recent acquisition is the C. K. McIntosh place, which adjoined the Jackling place on the south. The McIntosh home burned to the ground over a year ago and there have been several rumors that it was to be rebuilt. These, however, have been put to rest by the sale of the property to Mr. Jackling.

Mortimer Plachacker and family are expected to take up their summer residence here on April first. The asphalt tennis court has been resurfaced and will doubtless be the scene of many interesting meets during the summer.

William Roth and family will return from Honolulu within a week or two and move into their home here for the summer.

The Seaside Lake resort is undergoing an overhauling preparatory to the summer opening. Last season was a disappointment to the management of the resort due to the rapid dwindling of the lake, owing to the short rainfall of the preceding winter. Now, however, the lake is brim-full and with the favorable advertising the place has received, the coming season should prove a profitable one.

While our orchards cannot compete in size or number with those of Saratoga and its surrounding San Jacinto Valley, we are able to present to visitors a very creditable blossom show of our own. The Hale and Folger orchards in particular look like great masses of snow left behind by the retreating winter.

The first baseball contest of the season for each of the teams concerned was played at the Woodside school grounds on Thursday between the school teams of Portola and Woodside. Very creditable ball was played by both teams, the local team running up a big lead in the first inning that enabled them to come out on the long end of the score. The members of the Woodside team are: Carl Silva, pitcher; Oliver Gish, catcher; Tom Shine, first base; George MacDonald, second base; Geo. Shine, third base; Emmett O'Neill, shortstop; Kenneth Bartheaux, centerfield; James Neuman, right-field; Frederick Blackington, left-field; Harry Williamson, outfielder as umpire.

A very enjoyable outdoor luncheon was given on Tuesday by Mrs. J. L. Ross, Jr. in honor of her sister, Mrs. Phillip Kroeck of Redwood City, who is to leave on April 4th.

COAST SIDE PIONEER ANSWERS SUMMONS

Charles W. Borden, justice of the peace of the Fourth township of San Mateo county, and a pioneer business man of the county, was found dead in bed at his Halfmoon Bay home Thursday morning.

Mr. Borden was in his usual good health Wednesday, so his passing came as a shock to his friends. The deceased was a native of Herkimer county, New York, and was 77 years of age. As a youth he came to California and for over a half a century has been in the lumber and milling business at Halfmoon Bay.

Mrs. Borden passed away about two years ago and since that time Mr. Borden has resided with his cousin, T. W. Wightman and family. Charles Borden was one of the most genial and affable men to ever live in this section. He had a good word for everybody and everyone he knew was his friend. He was a charter of San Mateo Lodge No. 229, Free and Accepted Masons. The funeral will be held this afternoon from the Halfmoon Bay Methodist church and will be under the direction of San Mateo Lodge of Masons. Interment will be at Halfmoon Bay.

NOT MANY CONTESTS IN SCHOOL ELECTIONS

Tuesday was the last day upon which candidates could file for election as school trustees. Few contests are to be staged. In the high schools, the Jefferson high is the only one in which there is a contest on this side of the mountain. Mrs. Stella Jensen herself is a candidate to succeed herself. Matt Grady will not seek reelection, so Ralph Stark and Mark Wurst, both of Colma are after the place. No other high school contests are noted. Jas. Hedge of this city and L. H. Brown of Ravenswood, will be unopposed.

There are a few contests in the elementary districts. John W. Poole of Redwood City will be unopposed. Mr. Nix of the Morne Seed Farm will succeed Mrs. Catharine Denney at San Carlos. Mrs. Denney is not a candidate for reelection. Mrs. Henrietta Johnson is to have no opponent at Belmont. As yet to rank James C. Maxon, one of the old guard, and one of the most active school trustees of the county, will be opposed by Mr. Becker, a federal naturalization examiner. At Ravenswood, Mrs. Cameron will be opposed by a candidate from North Palo Alto. In San Bruno Joseph Cunningham has two opponents. In the other districts there will be no contests.

C. of C. Elects New Directors

A. C. Argo, P. E. Brand, C. H. Davies, Harry Groom, E. B. Hinman, Asa Hull, C. A. Holt, C. A. Holt, G. B. Merrill and Henry Witte. Following the general meeting the newly elected directors met and elected E. B. Hinman, president.

The meeting Wednesday evening was attended by about 60 of the business men of the town, and though not as large as the previous meeting, was characterized by the same spirit on the part of the members, the determination to make the chapter of commerce an effective force for good in the community.

The directors will meet Wednesday and outline plans for work during the year.

Two one-act plays and an operetta were given at the high school last evening as the last number of the year course presented at the school under the direction of Miss Catharine J. Boyle and Miss M. Carrington.

The operetta, "Froshie," was composed by Mr. Carrington, while two plays, "Sir David Who Wears a Crown" and "Wurzel-Flummery," were directed by Miss Boyle.

NEW BUILDING ORDINANCE TALK

The provisions of the state building ordinance formed the storm center around which the arguments flowed for about two hours before the board of trustees of Redwood City at their meeting last Monday. The bone of contention was a bay window being built on a house being erected on Duane street by George Miller. The window comes to within six inches of the property line of Miller and Mr. and Mrs. Harry Jansing.

The protest was made to the board by the Jansings who were represented by an attorney who claimed that the building was not in accord with the building ordinance of the State Housing Act which provided that buildings must be three feet from the line. After considerable discussion the board ordered work on the building halted until the matter could be investigated. It was later agreed among the parties that the bay window be omitted from the building, and an amicable settlement was reached.

The matter of the protest against the Magruder lumber yard, by residents of the vicinity was again brought before the board by William Hogan. Hogan was informed by the board that the matter was being taken care of, and that the trial to settle the right of Magruder to maintain a lumber yard on Vera avenue would be heard on March 26.

Harry Morey of Menlo Park appeared before the board in regard to his application for permission to build a sand bunker on property between Hopkins street and Whipple avenue. The permit had been granted, but a protest had been presented to the board by the property owners of the district.

Two of the protesters, C. A. Holt and William Hogan, were present and stated that they and other signers of the protest objected to the erection of the plant loading sand in that district as it was essentially an industrial plant. Magruder stated he was willing to find some other location if the residents objected to the erection of the plant there. The matter was continued to the next meeting.

Proposed road work occupied the board for the greater part of the meeting. The first matter taken up in this line was a protest from several residents on a Howland street, against the inclusion of that street in the proposed work to be done in that vicinity. The matter was referred to City Engineer Dimmitt.

A petition was received from property owners of King street to have that part of King street paved between Oak and Roosevelt avenues. This petition was also referred to the city engineer. As this was the time for hearing protest in regard to the Roosevelt avenue paving, and as none were made the board passed a resolution asking for bids on this work.

Plans and specifications were presented for paving Arguello street and the consideration of the work laid over until the next meeting, at which time plans and specifications will also be presented for paving Stafford street.

The hearing on the zoning and setback ordinance was also discussed and the date set for hearing was Monday night, March 30.

WINNING SLOGAN PICKED

Selected from about 78 slogans which were given the consideration of the Redwood City Real Estate Board as entries for this district, one proposed by Wilbur Doxsee was considered the best. Doxsee's slogan was, "By Government Test, Our Climate is Best." This was selected as the winner of the \$10 prize offered by the real estate board for the best slogan which would apply not alone to Redwood City, but to the vicinity as well.

The choice of the slogan was made at a meeting of the board last Tuesday presided over by H. C. Tuchen, when the large numbers of slogans were considered. Many of the others were considered very good.

BIG \$100.00 SPECIAL CASH OFFER ENDS FRIDAY night at 10 o'clock, and at the same hour the Big Vote Period will be closed for ever---Just Six Days of the Big votes is all that separates you from one of the grand prizes

TIMES-GAZETTE BIG CAMPAIGN IS TOPIC OF DAY—VICTORY MEANS MORE THAN WINNING CARS—IS EVIDENCE OF ABILITY, OF FRIENDS, OF PERSISTENCE CAMPAIGN GAINS MOMENTUM AS CANDIDATES LINE UP FOR FINAL DASH FOR VICTORY, AUTOMOBILES AND GLORY.

Friday night is but six days away. The all important day of the Times-Gazette mammoth automobile, radio and gold gift distribution looms up in full before every candidate, who is striving for one of the big, beautiful, luxurious automobiles.

The big third period comes to an end at the stroke of ten Friday night, March 27. Next week, the final week of the campaign sees the sealed ballot box in effect. No business will be turned into headquarters after Friday night, for then everything goes into the sealed ballot box to be located in the Times-Gazette office. Big credits end Friday night at 10 o'clock. The extension and second payment credits privilege ends, too, promptly at the stroke of ten Friday night. The last substantial bonus for new subscriptions ends then, also. And the final week sees the lowest of all credit schedules in effect.

Friday Is Important

So Friday is an important day. And 10 o'clock Friday night is an important hour. At that hour the best offer of the remainder of the campaign closes. Any of the prizes may be won or lost from effort or lack of effort this week. The next thirty-six working hours may put you across the victory line. Success or failure rest entirely with the candidates themselves.

Every subscription up to Friday night at 10 o'clock counts more than it will the final week. The extension credit privilege ceases at ten.

Campaign Gains Momentum

This campaign is gaining momentum. In fact, it is going strong today. The campaign started off slowly and everybody seemed to be sleeping. But now all this is changed and never has a campaign in this section waxed so warm. Candidates are turning over every stone that might conceal a few additional winning credits. Some are traveling the country far and wide in search of subscriptions. Hustle here and there seems to be the slogan this week for all workers. It is this spirit, after it got started, which has made the Times-Gazette campaign one of real activity—so much so that real honor will be due the ones who come out victorious.

It is entirely probable that the winning credits for the

two big cars will be secured before ten o'clock Friday night. On the stroke of ten Friday night the privilege of extension credits will be taken away and the smallest credit schedule of the entire campaign will go into effect.

Must Keep Active

There are still some names listed in the credit column today which will probably not appear again after today. In order to participate in the benefits of this campaign you must keep yourself active. Your campaign is up to you. You alone are to blame if you neglect it. Failure to produce is tangible evidence of inactivity under the rules.

Today the Times-Gazette is a general topic for conversation. Such tremendous enthusiasm and energy was never before seen in any kind of a campaign hereabouts as is being shown daily in this race for automobiles, radios and cash prizes. Every single active candidate has plenty of pep left and will evidence it in no uncertain manner before the stroke of ten Friday night.

Watching the "Other Fellow"

No doubt some of the candidates who today look "harmless" will be among the strongest when the end comes. They are all watching the other fellow and arranging and planning to go him one better.

This much is certain—whichever wins any of these prizes will probably do so by a very narrow margin, although the winning scores will doubtless be large. If the present leaders are figuring that their leads are sufficient, they are due for disappointment when the winners are announced. With such a field of energetic workers, it is certain that some of the most spectacular work of the campaign is yet to come. The "never say die" spirit was never more in evidence than it is right now.

The big subscriptions are what count the most now. One new 6-year subscription counts 400,000 credits on the third period schedule.

The periods ends on the stroke of ten Friday night. Subscriptions that are mailed, providing the envelope bears a postmark of not later than Friday, March 27, will count just the same even if they do not reach headquarters before Monday, or even Tuesday.

This is the Last Call

This period is a mighty important time for candidates who expect to be the big prize winners. And the way to get the prize you have set your mind on is to secure the largest number of credits. Make a thorough canvass of your friends and acquaintances for a big finish—a winning finish.

Cleaning Without Odor by the F. Thomas Process

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap inferior methods. That is why we found it necessary to invest nearly \$500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Now gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes.

The Judge—Men of Leisure Don't Drive That Fast

Man of Feeling

T. S. writes that while entertaining a male friend on a evening at a little boy who had been sent to bed began to behave badly. Determined to stop the youngster's howling, T. S. grasped a pussy-whisker from a vase on the table and began to strip off the "pussy." Whereupon the guest remarked: "Better leave on the shock absorbers, old man!"—Boston Transcript.

NEWS OF MENLO PARK

Mrs. Devo, widow of the late General H. P. Devo of Kansas City, and mother of Major General C. A. Devo of Menlo Park, is here for a visit of several weeks with her son and daughter-in-law. She is accompanied by her daughter, Miss Florence Devo.

Mrs. C. A. Devo will entertain a small group of friends at tea today in honor of the visitors.

On April 6th the election for a fire commissioner for the Menlo Park fire district takes place. Mr. Clarence Walter is a candidate to succeed himself. He has held the position since the organization of the department, always given his time and attention to the duties in the same manner he would give to his own business. Mr. Walter takes a pride in the department which is the best equipped and the most efficient of any fire department on the peninsula. When a busy business man, like Mr. Walter, is willing to give time and labor without compensation to public work of this kind it is the benefit of the people it is sure to encourage and a guarantee that our institutions are in good hands and are in safe keeping. Re-elect Mr. Walter in office by giving him a rousing vote on April 6th.

F. W. Johnson announces his candidacy for school trustee of the Los Altos school district, the election to take place next Friday. Mr. Johnson has held the position for many years, filling the place with credit to himself and the district. Mr. Johnson should get a full vote.

The taxpayers of the Menlo Park school district will be untrue to themselves if they do not vote for James G. Mason, the incumbent, for trustee next Friday. He has been a faithful public servant looking out always for the interest of the taxpayers, saving them thousands of dollars by his splendid judgment and good management. During the past three years he has acquired, with the aid of his associates on the board, much property for the school and has built additions to the old structure without a bond issue, saving enough from the usual revenues of the district to accomplish these improvements and purchase adjoining lands as they were needed. Mr. Mason is devoted to the school and has given it the same attention that he would have given to his personal affairs. The vote next Friday ought to be unanimous as a mark of appreciation for his loyal and faithful services to the district. Let us hope the vote next Friday will be as near unanimous as possible.

Architect Maria is here from Washington making plans and specifications for several new buildings to be erected very soon at the base hospital. The occupational therapeutic structure will be a massive affair, costing over two hundred thousand dollars. The recreation building is to be a modern structure where athletic games and sports are to be enjoyed by the inmates for the physical upbuilding. The male personnel building will be the largest of the group of buildings. Here all the crafts will be taught by expert teachers so that the young men may have an opportunity to have a good vocational training, fitting them to leave the institution to be healthy, useful citizens. The noted architect is also plotting the grounds around the hospital for grass lawns and flower beds. The extensive well drilled last year is supplying all the water for the vast grounds. The superintendent is planning to bore for another so that the institution will have a sufficient supply of pure water for all emergencies. The present tank is to be enlarged to meet the demands of the institution. Much

work is contemplated this year and improvements will go forward for a period of three years.

Mrs. C. E. Murray spent the week end with her father, Fred Nesler, preparatory to leaving for Albion, Mendocino county, to join her husband, who is the electrician for the Albion Lumber Company. The concern is the largest in northern California, having large tracts of virgin timber. The output this year will be very large.

Rosalie Werthman, executrix of the will of her father, the late Mr. Harris, sold a parcel of property belonging to the estate on Van Ness avenue to the city and county of San Francisco for a war memorial site for \$112,750. There is another piece of property owned by the estate in the city valued at \$90,000. Mrs. Werthman and two other children are the heirs. Mrs. Werthman resides at the old Harris home on Santa Cruz avenue. Her husband is connected with the Emporium and is a commutator.

A record house greeted the St. Patrick's entertainment in the Hall of the Nativity last Monday evening. The program was replete with excellent numbers, every one of which was greeted with waves of applause. The performers, suffice to say, however, the oration by Horace P. Amphlett on the life of St. Patrick was a master piece. It was scholarly and well delivered. Mr. Amphlett is one of the promising young orators of the peninsula. Homer Stack demonstrated his wonderful ability as a monologist in "The New Minister." The fancy dancing of Miss Frances Gray and her class of young girls was a big hit of the evening. The Japanese Fan dance under the direction of Miss Helen Robinson showed much training and skill. The young ladies taking part were Miss Bernice Kerstell, Miss Pauline Gilcrest, Liola Scanlon, Laura Elker, Frederick, Clara Sach, Marie Kennedy and Eleanor Falvey. The rendition of old Irish songs by Mrs. Harry Zimmerman was well applauded. Louis Tognoli by his solos demonstrated his ability as an opera singer. Leo Keith and James McGrath proved their ability as first-class comedians in their character sketches. The performance was voted the best ever given in Menlo Park.

Miss Rebecca Mulcahy and her niece, Miss Geraldine Mulcahy, spent the week end at the Cardinal hotel in Palo Alto. They are former residents of Menlo Park. While here Miss Geraldine Mulcahy attended the Teacher's College at San Jose from which institution she graduated with honors. She now teaches at Selby and with her aunt lives at Berkeley. Both young ladies are enthusiastic admirers of Menlo Park and hope some day to live here. The pretty charming teacher is an educator of rare ability and tact.

State Commissioner of Corporations Edwin Daugherty has appointed Attorney Matthew McCollough a deputy corporation commissioner which position requires a thorough knowledge of the law. The new commissioner spent his boyhood in Menlo Park. He is a graduate of Sequoia Union High School and after his graduation spent some time here as a deputy in the Wells Fargo office. When the family moved to San Francisco young McCollough studied law and for some time has had a lucrative practice in the metropolis.

Frank J. Sullivan, the well-known San Francisco attorney and capital

ist, who suffered two paralytic strokes this year, and from which he may die, spent a portion of his boyhood in Menlo Park. His father who was known as Long John Sullivan owned a part of what is now known as the Flood place, that portion below the Bay road. Sullivan erected a massive barn on the property, one of the finest in the county at that time. It still is in existence. The late James G. Flood bought the realty in the latter years. Many will recall Frank J. Sullivan's contest for congress in this district in the early eighties. His opponent was the late Charles N. Felton, who twice defeated the democratic candidate in hard fought political battles. The vote was close. Sullivan contested both elections. At the end of the second term Congress he was elected but he only served for a very short time. He never again aspired for political office. Mr. Felton later went to the United States Senate. Long John Sullivan was a friend of the late Denis Martin and the Murphys of Santa Clara county. They came across the plains together in 1849. The Murphy party and Doner party started out together from Missouri but parted somewhere near Utah. Two members of the ill-fated Doner party survived, the others having perished near Truckee. The Murphy contingent arrived in California safely. The Murphys, Sullivans and Martins came to San Mateo and Santa Clara counties. They secured large land grants from the Mexican government. Martin was owner of the Las Pulgas tract but lost it through litigation. The Murphys owned vast domains stretching from Mountain View to Gilroy. The elder Murphys lived in luxury but their heirs lost the fertile lands and the cattle on a thousand hills. By a strange prank of fate the Murphy heirs are today no better off than the Martin children, although they inherited a vast estate. Sullivan loved heavily in San Francisco realty, particularly in the China town section. Frank J. Sullivan is a multimillionaire. He was careful and shrewd and added to the wealth left him by his father.

"THE THUNDERING HERD" IS HISTORICAL ACTION ROMANCE
"The Thundering Herd," which is coming to the Sequoia Theatre Monday and Tuesday, March 23 and 24 is bound to appeal to all levels of humanity. It will be hailed with the keenest delight by the average movie-goer because it contains some brand new thrills and bristles with exciting action. It will meet with the universal favor of the younger generation because it combines just the right proportion of drama and romance. And it is certain to attract the scholar and student because of its historical background.

The picture is based on Lucien Hubbard's adaptation of Zane Grey's famous novel, and is a story of the lawless west of 1879-75, when vast herds of buffalo roamed the plains and the Indian war cry was a thing of terror.

Briefly, it deals with the hardships of a caravan of pioneers who abandon their farms in the middle west and make a drive for the buffalo fields of Wyoming and Montana, at that time a wilderness inhabited by hostile Indians. More particularly the story concerns the romance of Tom Doane and Milti Faye—a romance which exemplifies the truth of that old adage, "the course of true love never runs smooth."

The exciting adventures of the pioneers which culminate in a terrific battle with the Indians, and the harrowing experiences of the young lovers which reach their climax during a spectacular stampede of two thousand maddened buffalo, provide a choice assortment of dynamic thrills for audiences to enjoy.

Acting honors fall to the lot of Jack Holt, Lois Wilson, Noah Beery and Raymond Hatton, who effectively portray the leading roles. The entire production reflects great credit on William K. Howard, who directed the picture.

MEN HAVE VIEWS:
SLANTS ON LOVE

"Husbands and Lovers" Shows Views of Benedicks and Bachelors on Romance
Husbands and Lovers, the title chosen by John M. Stahl for his new picture, indicates that in the director's or author's mind there is frequently a marked distinction between romance as interpreted by a married man and as offered by one who is "too loose and fancy free."

According to the critics who have had an advance view of the picture, it is a comedy-drama masterpiece that is no one who loves entertainment can afford to miss. It is entirely different in story its subtleness, clever situations and exacting of Stahl's last two successes, "Why Men Leave Home" and "The Dangerous Age."

In the leading roles are Lewis S. Stone, who has become the screen's favorite husband, Florence Vidor, ever popular and a most adorable wife; and Lew Cody, Filmdom's greatest romantic. Under Stahl's direction, they should form a very interesting triangle.

"Husbands and Lovers" will open next Wednesday and Thursday, at the Sequoia Theatre on Broadway March 25 and 26. It is a First National picture.
